EXPERIENCE

MAY 2009 - PRESENT **Serverside Developer** Lead Serverside Developer on numerous small and large scale projects for various big name clients and agencies. I strive for a pixel perfect and Standards Compliant front end with a strong focus on delivering a fast and scalable backend to support whatever might happen in the future.
Fuel Industries

MAY 2008 - MAY 2009 **Graphic and Website Designer** Designed and built several online systems. Managed and maintained multiple sub-sites within the Carleton domain. Designed numerous promotional items such as mini-flyers and posters. Website usability reviewer for various offices during a Carleton-wide redesign and CMS integration.
Carleton University

OCTOBER 2007 - MAY 2008 **Web Developer and Designer** Designed a rebrand of the initiative for an online portal system. Developed complete web packages for various companies being supported by Talent First Network.
Talent First Network

JANUARY 2006 - DECEMBER 2008 **Co-Founder / Designer and Developer** Co-founded a business with a friend/fellow student at Carleton University designing various forms of interactive media. Projects include websites, corporate identity packages and online business set-up/design.
The BIT Invasion

EDUCATION

SEPTEMBER 2005 - APRIL 2009 **BIT: Interactive Multimedia and Design** Graduated from the Bachelor of Information Technology: Interactive Multimedia and Design with a B+ GPA.
Carleton University

SEPTEMBER 2004 - JUNE 2005 **Part-Time Studies** Enrolled as a part-time student at both Carleton University and Ottawa University in an effort to ensure my placement in the BIT:IMD program as well as gain an advanced standing upon entry.
